File No.: 580.11744.15323

Mr. Corey Eib
16209 Victory Boulevard, #215
Van Nuys, CA 91406

Dear Mr. Eib:

This letter is in response to the concerns you expressed in your e-mail dated December 1, 2015. You indicated officers of this command committed perjury, conspiracy, and violation of your Constitutional rights under color of law stemming from an enforcement contact conducted by Officer Bemiller of the West Valley Area. I would like to apprise you of our actions in this matter.

After a thorough and complete investigation, we determined Officer Bemiller, and all other employees involved in this incident acted within the guidelines of departmental policy and applicable statutes. The investigation concluded there was no factual basis for your allegations. This was based upon the circumstances of the contact which were captured on video and audio by officers at the scene. Additionally, a review of the material posted on your website in conjunction with the circumstances of your enforcement contact and the evidence examined during the complaint investigation, indicate a malicious intent for filing the complaint.

Accordingly, I find your allegations are without merit, and I have ordered this investigation closed with no further action. A record of this matter has been prepared and will be retained for a period of five years.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. J. Starling, Jr.", with a stylized flourish at the end.

J. J. STARLING, Jr., Captain
Commander
